# First steps

- What do I need to do now?
  - ✓ Establish an adequate audit trail
  - ✓ Set up your accounting system
  - ✓ Ensure pre-financing of project expenditure

# First steps

## 1. Establish an adequate audit trail

- = any procedure to track all financial and document flows for all expenses occurred in the project
- ✓ Identify all **procedures** leading to expenditure **and actors involved**
- ✓ Gather technical, financial and administrative information and identify **financial flows**
- ✓ Set up procedures for **archiving** and decide for the location of documents

# First steps

## 2. Set up your accounting system

- ✓ **Separation** of expenditure
- ✓ **Clear identification** of expenditure & invoices
- ✓ List of expenditure in **English**  
→ Partner report

# First steps

## 3. Ensure pre-financing of project expenditure

- ✓ Secure and plan **liquidity**
- ✓ Remember: **Reimbursement** principle!

# Building a project team

- How can I employ my staff?
- Which costs are eligible?
- Which documents are needed?
- I need part-time staff – which method suits my needs?

© PantherMedia Stockagency/ Isergey

# Building a project team

## 1. How can I employ my staff?

Full time

Part-time

- ✓ Employed by partner organisation
- ✓ Formally engaged in project activities

**100%**  
of the employee's  
working time is  
spent for project  
work

**< 100%**  
of the employee's  
working time is  
spent for project  
work

# Building a project team

## 2. Which costs are eligible?

Full time

Part-time

### Gross employment costs

- ✓ Fixed in employment document or by law
- ✓ Non-recoverable
- ✓ Examples:
  - Salary
  - Other costs directly linked to the salary

# Building a project team

## 3. Which documents are needed?

Full time

Part-time

- ✓ Employment document
  - ✓ Job description
- ✓ Documentation of gross employment costs
  - ✓ Payment proof
  - ✓ **Staff cost tool**

+ method specific documents

# Building a project team

4. I need **part-time** staff – which method suits my needs?

Fixed percentage of time worked per month

✓ % fixed in employment document **in advance**

😊 No timesheet needed

😊 Simple calculation

😐 Over- or undercompensation possible

# Building a project team

4. I need **part-time** staff – which method suits my needs?

Calculated with a yearly hourly rate

✓ Annual gross employment costs of **previous 12 months** divided by 1,720 hours

😊 Only need to calculate it once

😐 Over- or undercompensation possible

😐 Timesheet needed

# Building a project team

4. I need **part-time** staff – which method suits my needs?

Calculated with a monthly hourly rate

✓ Monthly gross employment costs of actual month divided by **monthly working time set in employment contract**

☹ Timesheet needed

☹ Closest, but not equal to real costs

☹ Vacation and sick leave are not covered

# Building a project team

4. I need **part-time** staff – which method suits my needs?

Calculated with a contracted hourly rate

✓ **Hourly rate** set in the **employment contract** multiplied with actual working hours

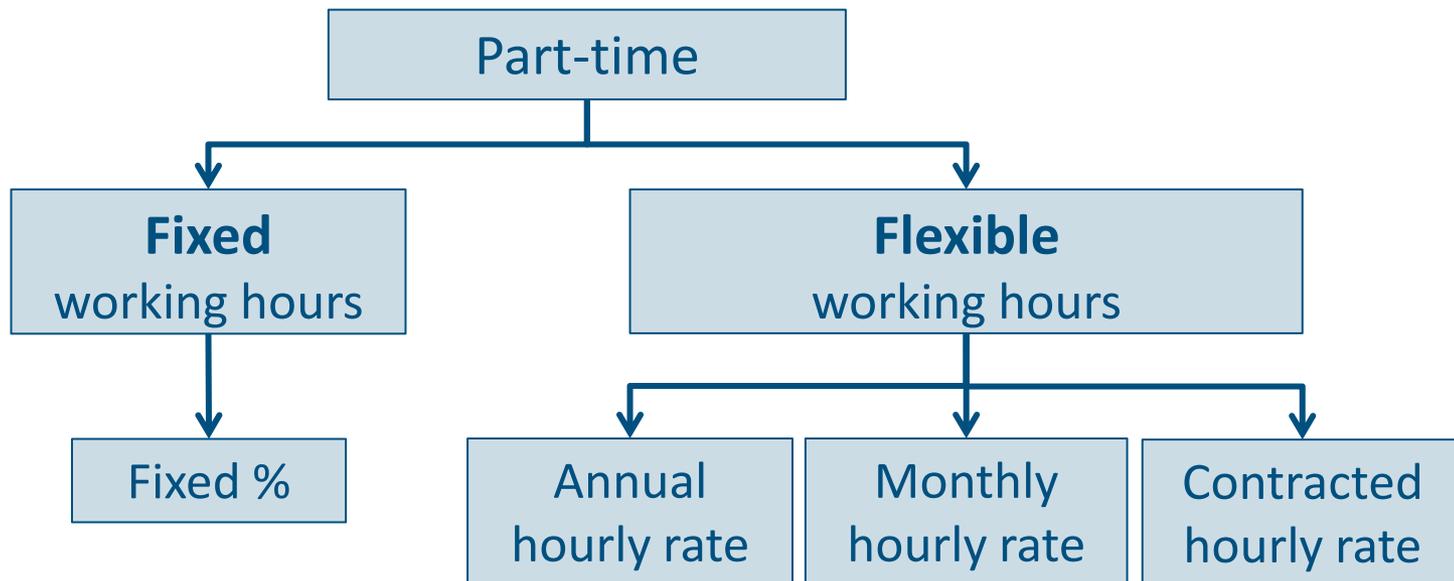

☹ Can only be used by staff that is paid on hourly rate basis

☹ Timesheet needed

☹ Vacation and sick leave not covered

# Building a project team

4. I need **part-time** staff – which method suits my needs?

**Do not mix the calculation methods!**

# Travelling

- Who can travel and what can I pay for?
- What to consider for activities outside the EU-part of the Programme area?

© PantherMedia Stockagency/AnatolyM

# Travelling

## 1. Who can travel and what can I pay for?

### Project employees

⇒ belongs to BL3

- Travel (e.g. tickets, fuel, car mileage, toll, parking fees)
- Accommodation
- Visa
- Daily allowances

### External experts/speakers/...

⇒ belongs to BL4

- Travel
- Accommodation
- Active role !

**Every travel must be project related !!!**

# Travelling

## 2. Activities outside the EU-part of the Programme area: Do I need prior approval by MA/JS?

- Programme area & EU ⇒ NO
- Other countries ⇒ YES

# Content

1. First steps
2. Building a project team
3. Travelling
- 4. Procurement**
5. Other responsibilities
6. Reporting, audit and control
7. Information sources

# Procurement

- External goods, services or works (BL3, BL4, BL5, BL6)
- Relevant for all partners
- Ensure:
  - ✓ **Transparency**
  - ✓ **Non-discrimination**
  - ✓ **Equal treatment**
  - ✓ Thorough documentation of procedure & decision making

# Content

1. First steps
2. Building a project team
3. Travelling
4. Procurement
- 5. Other responsibilities**
6. Reporting, audit and control
7. Information sources

# Other responsibilities

## 1. Open access principle WP2

- ✓ *Wide dissemination* of outputs produced in WP2 on a non-exclusive and non-discriminatory basis
- ✓ Most transparent and the *widest possible access* to all interested stakeholders including potential competitors
- ✓ All innovations and inventions arising from the project are made *available in the public domain*
- ✓ *No intellectual property rights* can be claimed

# Other responsibilities

## 2. Durability and retention of documents

- Ensure **durability**, i.e. long-lasting effects of outputs and results
- **Retention of documents**
  - ⇒ Period: ~ 4 y. after final payment (exact date from MA/JS )
  - ⇒ **Originals** or in versions “*in conformity with the original on commonly accepted data carriers*”
- Maintenance of **project website** for 5 years after project end

4. Procurement
5. Other responsibilities
- 6. Reporting, audit and control**
7. Information sources

# Reporting, audit and control

- How do I report expenditure?
- Who checks my expenditure and why?
- How does first level control work?
- What applies to me and my partners?
- How to get started?

# Reporting, audit and control

## 1. How do I report expenditure?

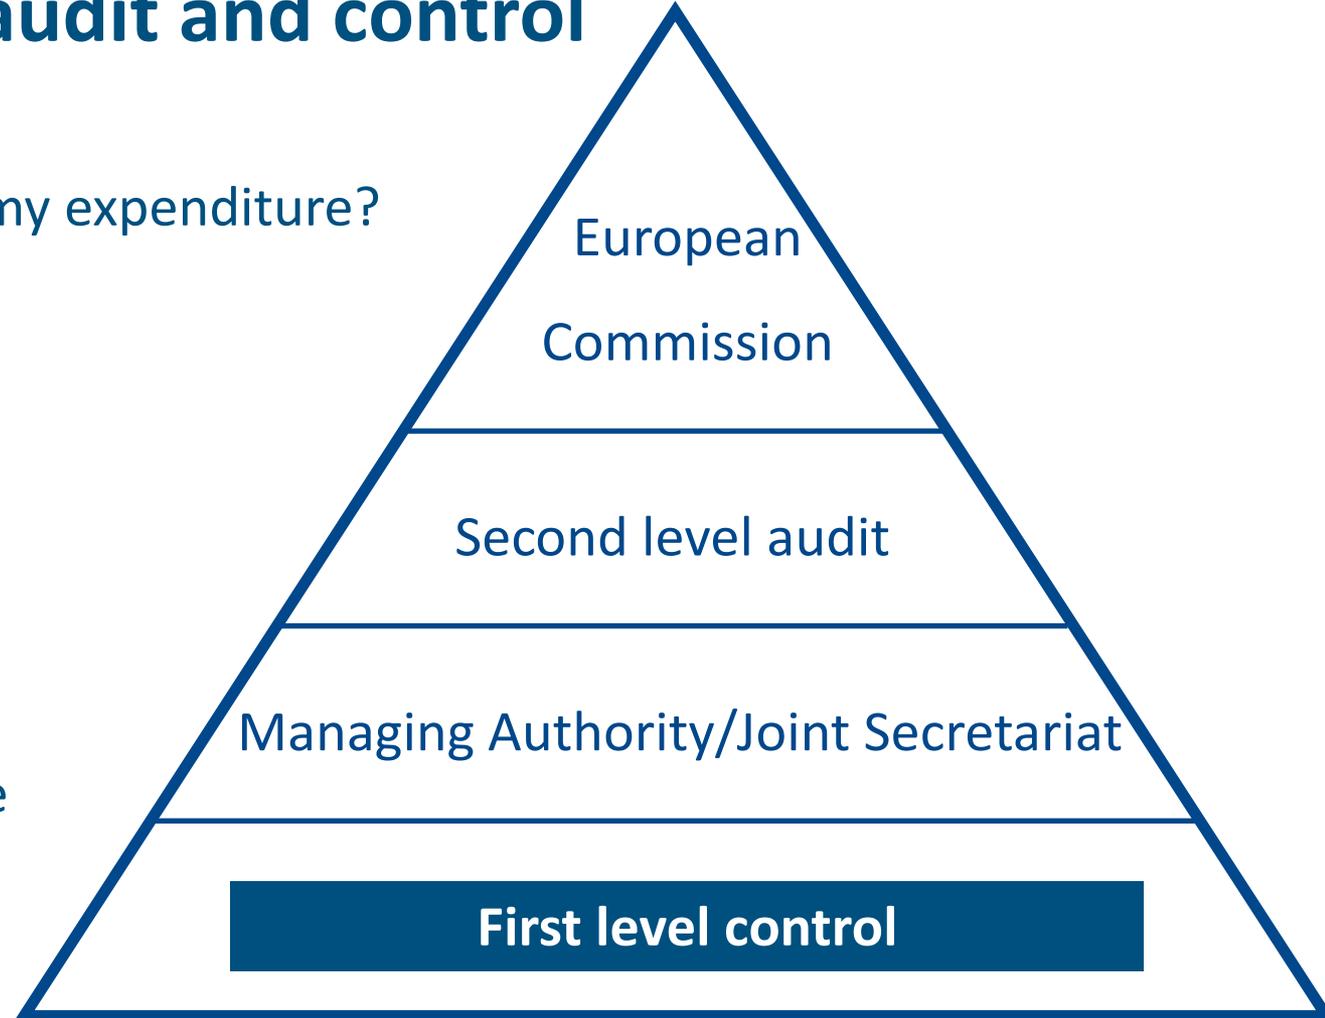

# Reporting, audit and control

## 2. Who checks my expenditure?

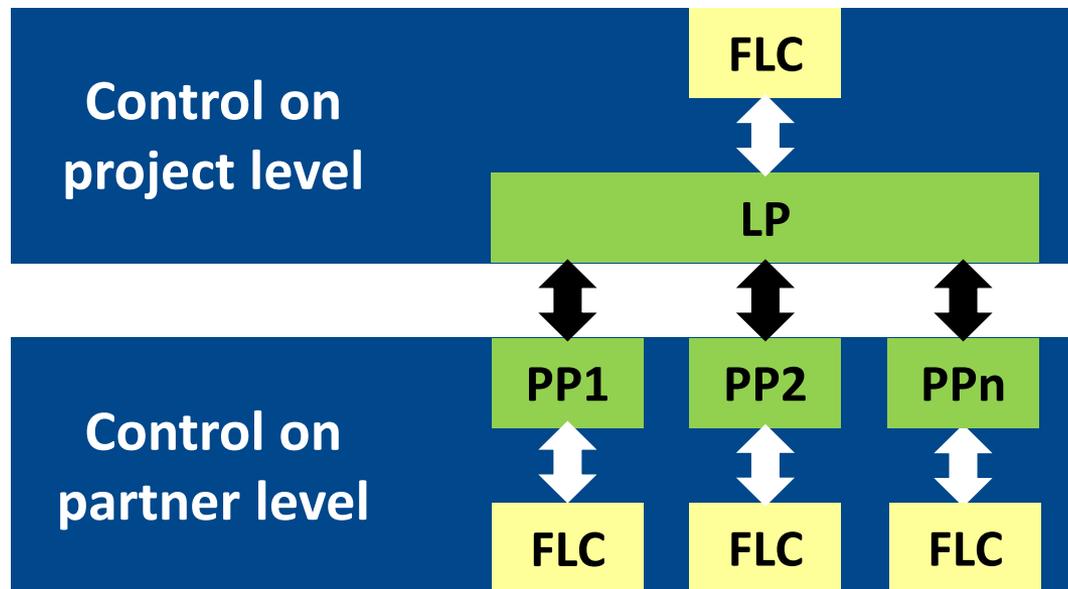

... and why?

- Public funds
- Verification:
  - ✓ Delivery
  - ✓ Soundness
  - ✓ Compliance

# Reporting, audit and control

## 3. How does first level control work?

# Reporting, audit and control

## 4. What applies to me?

	AX	EE	LV	PL	SE	DE	DK	FI	LT	NO	RU
FLC system	Centralised					Decentralised					
Partner pays FLC	No					Yes					

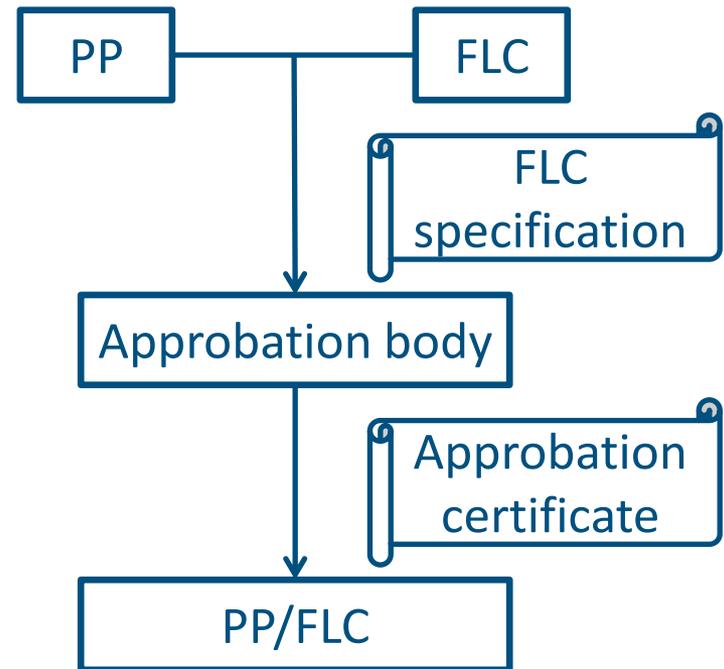

# Reporting, audit and control

## 5. How to get started?

### Centralised

- Contact details on the web
- Inform your controllers
- Ask for requirements

### Decentralised

# Reporting, audit and control

## First Level Control

### FOR FIRST LEVEL CONTROLLER IN ALL COUNTRIES \_\_\_\_\_

📄 FLC Report and Checklist

### DENMARK \_\_\_\_\_
